

LIFT TRUCK LINE GUIDE

Support You Can Count On

A Cat® lift truck purchase connects you to a variety of material handling solutions, including world-class service and support from your local, trusted dealer.

With factory-trained technicians, a diverse parts inventory and a broad selection of service options, your local dealer can help you lower costs, enhance productivity and more efficiently manage your business.

Built To Perform

Cat Lift Trucks offers the total package, including:

- Reliable, fuel-efficient lift trucks for greater productivity.
- Advanced electric lift trucks featuring longer run times and a lower cost of ownership.
- Industry-leading features such as fingertip controls and advanced operator presence detection systems.
- Low maintenance intervals with extended service options.
- One-year / 2,000-hours warranty and two-year / 4,000-hours Powertrain warranty options.

Built To Last

When you buy from your local Cat lift truck dealer, you can also expect:

- Genuine OEM parts manufactured to meet original equipment design criteria.
- A single source for dependable replacement parts, no matter the lift truck brand, through our exclusive Promatch® parts program.
- A six-month, unlimited-hours warranty for both OEM and Promatch parts.
- Access to the nGauge® online parts store, where you can check availability and pricing of more than 4.2 million replacement parts at your fingertips.
- Our Parts Fast or Parts Free Guarantee that ensures next-business-day availability (at dealer's location) of Cat lift truck and Promatch parts, or they're free, including freight.

*Contact your Cat lift truck dealer for complete terms and conditions of these guarantees.

Your Cat lift truck dealer can provide additional options and features to specialize your lift truck for your unique application. Operator training and custom financing programs are also available to help find the right fit for your business.

Helping move businesses forward – that's how we're built.

Reduce Operating Costs With Fleet Management Services

Cat Lift Trucks and its partners deliver the most comprehensive fleet management services in the industry, including:

- Cost Control
- Accounting Services
- Fleet Reporting
- Ownership Flexibility

Cat Lift Trucks fleet services go beyond the basics. Our team of experts will not only identify material handling cost reduction opportunities with you, but will offer their recommendations for an effective fleet management system design that will optimize the utilization of your fleet.

A custom, enterprise-wide fleet program creates processes that deliver consistency and efficiency with your material handling operations. It can also assure program pricing compliance across your organization. The result is an integrated approach toward improving your operations, lowering your operating costs and improving your bottom line.
